STEWART BLANKS BEAVER CREW IN SECOND CONTEST

Champions Fail to Get Any Runs Behind Harry Sutor in Southpaw's First Start as Moundbuilder.

Harry Sutor, erstwhile great southpaw of the Seals, was given his initial baptism as a Beaver yesterday afternoon and threw other quadrupeds, the Tigers, save him a 4 to 0 whitewashing, although up to the ninth inning the visitors had made but one run off his delivery. In spite of the fact that he passed 10 men, a season's record, he was hard to beat and had the home stocks been able to deal the run column off Stewart, another victory might be told. Stewart tried his best to halt the game away, committing two of the most brainless of baseball etiquette, but even that didn't help the scoreless Beavers. The game was slow and tiresome, considerably over two hours being required to finish it. The players on both clubs suffered from the heat, which was enervating.

Again the Beavers started off the winners, but it was not in the cards for them to show anything. Doane got the first of his three hits, and Chadbourne sacrificed. Lindsay's hard grounder to Purtell was turned into an out at second on Doane, who couldn't get back to the bag. Rodgers singled and Krueger was hit with a pitched ball, but Gus Fisher filed to Carlisle for the third out.

Tigers Fill Bases.

The Tigers had three on bases in the third and fourth, but Bancroft saved the Beavers by taking the sting out of one and Doane in the other frame. In the fifth chance the Beagels were to be denied no longer. After Lindsay stopped Hosp's foul fly, Rodgers walked for the third successive time and went to third on Bayless' wheap to right. When Rodgers made a one-handed stop and drop of Fisher's throw to catch Davis pilfering, Roy cantered home for the first run.

With two out in the third, Lindsay singled and Rodgers doubled, but Krueger grounded to Hosp. In the fifth, after Doane singled, Rodgers walked on five outs, and the pair moved up on Krueger's first hack, but into time Krueger fanned out to Jackson.

In the seventh Doane singled and stole second and third, but the next three men went out.

Suter, who had been getting by pretty well, considering the fact that he was not in perfect condition, started the ninth by issuing his fourth straight walk to Christie. Davis beat out a bunt down the first base line and Carlisle never stopped going till he reached third. He scored on Hosp's single to left. Kane reached third after Doane's catch of Bayless' fly, whence he scored on Bayless' infield out, Rodgers to Kane. Lewis singled through short and Hosp was over for the fourth run.

Burrell arched to Bancroft for the last out.

Manager Moo put Fitzgerald in in the ninth to bat for Suter in an effort to start a batting rally, but Fitz failed to do it. Stewart was the master of the situation.

MORAN AND WHITE ARE READY FOR TOMORROW

(United Press Leased Wire.)

Los Angeles, July 18.—Owen Moran and Jack White are waiting today, in practically perfect condition for the coming that will send them on their scheduled 15-round journey over the Vernon Arena tomorrow afternoon. Experts who have examined the boxers declare that each is fit. Also each boy is already at the stipulated 125 pounds.

Moran, by virtue of his unusually conscientious preparation, has been installed at 10 to 8 in favorite. This has been done in spite of the fact that he recently took the worst of an engagement with White's brother Charley, an inferior fighter to the man he will meet tomorrow.

Interest in the battle for a time overshadowed by the aftermath of the Wolgast-Rivers affair, has reached a high level, and indications point to one of the largest crowds of the season.

SPOKANE GLEANS WOBBLY CONTEST

Runs Come in Clusters but Indians Get One More Than Colts.

Spokane, July 18.—Spokane evened up the series by winning a 9 to 5 game yesterday that for variety put all the others in the "has been" class.

Portland started out in the lead with two runs, but the Indians came right back with five in the second. Those five looked pretty small with the visitors made five in the third, closing Cravens and Kraft out of the game and finishing up on Noyes. In the fifth frame each team made a run, but the Indians had the good fortune to gather three in the seventh because Speas muffed a fly ball and let the winning tally come across the plate.

Kraft was not the only outfield mirage for a similar fumble by Melchior's Colts put away. Noyes four runs. It was indeed a great game and time-consuming affair, lasting two hours, the Tribune fans had a fine chance to exercise their vocal organs.

LOAFERS RELEASED BY TACOMA MOGUL

Abbott and Morse Go and the Team Strengthened by New Material.

(United Press Leased Wire.)

Tacoma, Wash., July 18.—The long delayed and expected shakeup of the Tacoma baseball team came last night when President Ed Watkins returned from Seattle. Odin Abbott, Jeff Heft er, and Peter Morse, shortstop, were fired the limit and unconditionally released for continued drinking and other infractions of the rules.

Charles Schmutz, the Tiger standoff spitball artist, was traded to Bob Brown's Vancouver team for Pitchers Agnew and Bedford and Outfielder Fox. In addition Bill Goodman, who played a sensational third week last year for Victoria and went up to the American league, has been purchased for the Tacoma team. Following these changes and the trade last week made with Dunkle of Seattle, worthy Pitcher Blaine Gordon was exchanged for Infielder Jack Holdsman, Fred Beckman, the Tiger lineup is practically now.

With this combination President Watkins and Manager Mike Lynch expect to pull the team out of the cellar where it was planted by the indifferent playing and continued carousing of malcontents. Schmutz is considered one of the best pitchers in the league but despite his excellent work he won two and lost six games into oblivion, so little did the support given him. He was not liked by the leading members of the team and they practically threw his games away. He is a good-living, hard working pitcher. Watkins' agreement with Bob Brown leaves him control of the purchase price should Schmutz be picked up by one or by any of the major league teams.

Schmutz Deal in Air.

Vancouver, B. C., July 18.—Interested in a request by a telegram received this morning, President Bob Brown said that the deal for Pitcher Schmutz was tentatively arranged two weeks ago, and that he was to have had a letter from Watkins confirming the trade yesterday. Not having heard from the Tacoma magnate last evening, he wired him calling the trade off, it having developed that Pitcher Agnew will not report to the Tigers. Later in the evening Watkins wired Brown stating that the trade was fully consummated and Mike Lynch would be ready on his way to Vancouver to join the team, and the matter of his physical mind up condition at this writing.

While Schmutz would be a decided acquisition to the weaker staff, Manager Agnew has done a lot of good work for Brown, and the local president-manager has no desire to send him to any other club to which he is not a superior. Fox's games he pitched last night was one of the very best seen on the local field and it is doubtful if Schmutz or anyone else could improve on it. For some reason the fans will greatly regret his departure.

ITALIAN WRESTLER IS LOOKING AFTER MATCH

Dominico Turriciano, a 165 pound Italian wrestler breezed into town yesterday, made a noise about challenging anybody for a $200 side bet, and was immediately waylaid by the manager of Peter Burnikoe, the Greek lightweight, who wished that he was leaving San Francisco today to take up the Italian's deft. Burnikoe says he will be in Portland next week and that after a six months' absence in California.

APPENDIX PUTS AN END TO BIG FIGHT

Ad Wolgast Declares He Will Not Box Again for Six Months.

(United Press Leased Wire.)

Los Angeles, July 18.—Lack of condition and inability properly to fit himself for a contest lasting longer than one day by Ad Wolgast as the reason for his refusal to sign articles for a Labor Day championship contest with Joe Rivers, either Freddie McKinzy contesting, his consent was virtually given.

Wolgast said today that he is positive that he cannot get himself into satisfactory shape before January 1, next. His reluctance to be banged, more than once before, that the recent surgical attack on his appendix has bereft him of much of his strength. He insists that he is in the fight to stay, and will box as long as he pleases, before he again will defend his title.

"Tell Rivers," the champion said, "that I will box him again within six or seven months, but I don't know when. I always keep my word. Rivers will have his chance, but first I must be myself."

Joe Levy, Rivers' manager, is out today with a statement in which he questions Wolgast's courage and accuses him of "crawling before the Mexican."

Montana Due to Box.

(United Press Leased Wire.)

San Francisco, July 18.—Boxers of every class but bantams are represented on tonight's card of the Pacific Club, in which Eddie Cassidy and Tommy McFarland, lightweights, are billed as the main event. Another bout of interest is that between Walker Cotter and Constant Dan Sullivan, middleweights. Tom Kennedy, making his initial professional bow, and veteran Joe Gorman will furnish the heavyweight bout. There are eight other events on the card.

Nolan After British Boxer.

(United Press Leased Wire.)

San Francisco, July 18.—Tex Nolan, manager of Abe Attell, was in communication with Promoter Hitchcock of Los Angeles today in regard to a match between Attell and Thomas, the English lightweight, in Los Angeles on the Labor Day. Now that the Wolgast-Rivers match seems doubtful, it is thought probable a Thomas-Attell go may be arranged.
