

WARSIVIC VICTOR OVER ALL STARS
Collegians Have Easy Picking in Their Game Yesterday Afternoon.

A team made up of some of the greatest professional and amateur players in the country played the "Varsity team" in a game yesterday and were easily victorious.

The college men showed the advantage in the game, but the "varsity" team put up a fight, even though they were beaten.

The picked team, although full of good individual players, gave a ragged exhibition.
