To anxiety...I bring relief

I'm your best friend

I am your Lucky Strike

I am made only of the choicest cream leaves. The top-leaves are taken. Using "The Toasted" leaves are green, rough and unpalatable. My "Toasted" expression makes them smooth, mellow and easy-on-your-throat for smokers, hard-to-please smokers. I do not irritate your throat. To anxiety I bring relief. Try your best friend.
