

Perfect Malt Perfect Beer

**The Exclusive Pabst Eight-Day Method a
Guarantee of Age, Purity and Strength.**

PABST for sixty years has been the pioneer in perfecting processes of brewing along the most highly developed scientific lines, and to-day he leads in the manufacture of the purest and best beer because he never rests in his studies and researches, never spares expense to make the best.

Pabst Beer is made only from Pabst eight-day malt. This means that it contains the highest amount of nutrition obtainable out of malt. This, coupled with sixty years of practical brewing experience, makes Pabst Blue Ribbon Beer unequalled as a nourishing tonic and a delicious, refreshing beverage.

Equal in importance to eight-day malt is cleanliness, and in this again Pabst excels; not only is the mammoth Pabst Brewery a model of neatness in every department, but the beer from mash-tub to keg or bottle is never touched by human hands. Every known safeguard is established to prevent any possible contamination. Pabst Blue Ribbon Beer is given to the public only when science and the test of time show it to be perfect in age, purity and strength; the best beer brewed.
