

Drink Schlitz

with the Dinner

Schlitz Beer is more healthful than any wine. The small percentage of alcohol—only $3\frac{1}{2}$ —and the bitter of the hop are both aids to digestion.

The full flavor, too, adds a relish.

But most important of all is the purity for which Schlitz stands. It is brewed in cleanliness-cooled in filtered air, well aged

so as not to cause biliousness, and every bottle is sterilized.

All these are reasons which make it worth while to order and be sure that you get Schlitz.
