GOAL IN LAST MINUTE.

Yale Beats N. Y. U. at Basketball by
14 to 12.

The Yale team played a very close game of basketball at University Heights last night with the New York University five, and only succeeded in beating them in the last minute of play, when with the score tied Goodwin of Yale made a pretty basket from the field, making the final score 14-12.

The game was in no way gentle, and frequently the players were forced back onto the spectators. The fouls were mostly technical ones, but both Finessy of Yale and Girsansky of New York were the out of the game for four personal fouls.
