SPRING RECREATION

Everybody loves the sports and recreation of outdoor life, because they give health and strength to the body and furnish most agreeable amusement to the mind. Every man has his favorite pastime and participates in the game or sport which gives him the most pleasure.

It does not matter which game you play or what kind of recreation you like best, whether it is boat racing, horse racing, automobile racing, playing golf, or baseball, you will always find a bottle of Ruppert's Knickerbocker Beer the most welcome beverage at them all. It does not only quench the thirst but drives away fatigue and aids the pores in their excretory discharge.

JACOB RUPPERT'S KICKERBOCKER BEER

"The beer that satisfies"

has won PUBLIC FAVORITISM AND PATRONAGE, which is the greatest reward that can be given. There are reasons for this public sentiment and unanimous approval.

Knickerbocker Beer was because there is no product too good that money can buy that is not used in its malting and brewing, because the brewery is equipped with the most modern machinery and operated by as skillful men as can be found, and because every drop of beer is pasteurized and automatically conveyed from glass tanks to glass bottles untouched by human handling. Perfect brewing—pure beer—perfect bottling. In hotels, cafes and restaurants and by dealers everywhere. On draught at first class places.
