“Good Digestion Waits on Appetite”

—and health on both,” says Shakespeare.. Those who drink PURE beer in reasonable quantities have the best digestion—the best health—get the most out of life.

Join the red-checked, clear-eyed throng of vigorous men and women who drink beer with their meals.

And in order that you may be assured of the best in quality and purity—specify that the beer you drink is from the STAR BREWERY.

It's merely a question of taste—whichever beer you like best—we can give you the best in mild or medium. If you want the full-bodied, blood-making regular brew, ask for our

Hop Gold

—the beer that is now the choice of every discriminating beer drinker who has ever tried it.
If you prefer a milder beer—one for general family use—we highly recommend our

Rose City

This is a new—a special brew, especially for the family trade. Mild—in fact, so mild that hundreds drink it who can't drink any other beer.

(Our beer is the most thoroughly aged beer sold in Portland. That's why you never hear of it causing biliousness. Our storage capacity is greater in comparison to output than any other brewery on the Pacific Coast.)

Francisco baseball team, arrived in Los Angeles today to aid Owner Frank Ish in rousing the Seals into shape. They failed in their efforts today, but are still hoping.
Long came south to escape the criticism of the northern fans, who are yelling with rage over the way the team is losing, and also to see if there

is any way to stop the losing streak. It is said by the players that Long can do nothing. All he can do, they say, is to see that the men keep in condition for the contests.
Ish and Long view the games from the grandstand. Big black cigars appear to be the chief ammunition of the Seal manager, and during exciting

moments of play he chews them to shreds.

On account of the recent anti-nipa roofing ordinance of the Manila municipal board, the City Engineer has been busy testing out roofings to take the place of the nipa. A roofing made from asphalt, burlap and gravel, manufactured by an Illinois company, seems to be the best substitute yet tested.
