Colorado Makes New Men

It's an investment, a straight business proposition—a vacation upon the tableland of the continent. You will earn its cost out of the extra ideas you will gain and out of the extra vigor you'll feel for the rest of the year.

Any way of going to Colorado is a good way because it gets you to Colorado, but the best way is the Rock Island, and the best train is the de luxe.

Rocky Mountain Limited

from Chicago every morning at 9:30

Perch as high as beda, sleeping car in which the air is always fresh, superb meals, better library—observation car, barbers, valet and Victoria rentals for your pleasure. Only one night on the way reaching Denver, Colorado Springs and Pueblo early in the afternoon.

Illustrated booklet free for the asking.
