

Worcester Brewing Corporation's Celebrated

Bock Beer

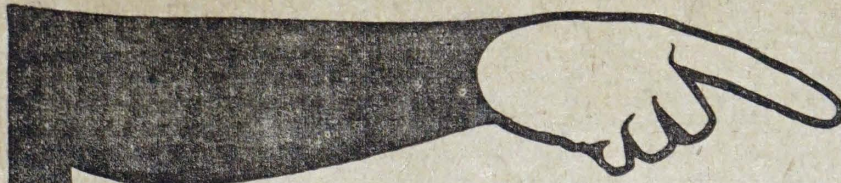

Is Now Ready.

Order of Your Dealer.

For the outfield Capt. Stewart and Crane of last year's team are sure of their places in left and right fields, respectively. Center field is a position for which there will be a lively scramble as there is a wealth of material.

The first game is with Rindge Manual Training School of Cambridge, on April 15th. Coach McKeon will have his men in readiness for this game which is preliminary to the Worcester Tech game which comes April 19th.

Joseph Boyle of Drifton, who played in the New England league last summer, has been drafted by Birmingham of the Southern league and will leave for that city next week to report for spring practice.
