

KLING'S Pros't

CHILL
PROOF

If the Beer Bottle is
Cloudy Don't Guess
at the Contents.

See what you are getting for your money—know what you are taking into your system. Don't guess at the contents of a clouded beer bottle—find out. If you drink beer, stick to a standard brand—get posted on beer purity.

Kling's Pros't is the Pure-Food Law beer because it is CHILL-PROOF. Pros't pours clear and sparkling as crystal. You'll never find a cloudy bottle of Pros't. Even after a period in the ice-box this wonderful beer is actually transparent, and entirely without sediment or drugs. Drink Pros't always.
