Already the recognized quality brew and bottled at the brewery makes it absolutely perfect

To introduce successfully and to create a ready sale for a new Beer within less than one month, and, so to say, without any expenditure, speaks volumes for the quality of the Red Lion Beer.

On May 6, 1912 the first bottle of

Red Lion Beer

was sold, and today you will find it in all Groceries, Delicatessen Stores, Restaurants and Saloons.

If you have not yet tried this delicious Beer, ask your dealer to serve you in the future with the Red Lion Beer.

It is the Beer of extremely nourishing qualities, exceedingly palatable taste, and with a rich, creamy foam.

As a special inducement for you to try this **Leading Home Beer**, we set aside \$125.00 each month to be distributed among the drinkers of Red Lion Beer. When you open a bottle and you see branded on the cork "Home Industry," you have won \$5.00.
