

ELK SHOOTERS ARE INVITED TO TRAPS

Plenty of Guns and Ammunition for Visitors Next Wednesday Afternoon.

A large crowd of shooters spent Tuesday at the Kenton traps of the Port and Don club. Several out of town shooters were present.

The club has arranged for the trap to be operated on Wednesday afternoon and all folks are invited to take part in the shooting. It is said that day there will be plenty of game and ammunition for all.

Five members of the club have finished the Indian medal shoot and those who have not finished are expected to close their scores next Sunday. Tom Cullison is leading the five that have finished.

The scores made yesterday are:

Four, 94; Aikman, 91; Rice, 90; Meulien, 88; Willitt, 82; Blair, 82; Cullison, 80; Niscom, 82; Carlen, 80; Chaswell, 81; Ellis, 81; Wagner, 80; Thornton, 80; Preston, 83; Morris, 82; Edwards, 82; Mettler, 86; Vanatta, 82; Newcomer, 81; Wood, 83; Cannon, 81; McPherson,

The property of platinum sponge absorbs gas, which rapidly increases the temperature of the metal, is employed in connection with a thermometer to detect the light in an electric lamp for minutes to warn them of danger.
