From an Immaculate Plant

The main plant of Anheuser-Busch re-  
quires 110 separate buildings.  
It covers 142 acres, equal to 70 city blocks.  
6,000 people are employed here and 1,500  
others in branches.

Home cleanliness is maintained in every  
nook and corner of this institution.  
One can't go through on a tour of in-  
spection, as hundreds do each day, and not  
get a quality-impression.
