## BY THE CHAPERON.

From Mackinac Island comes information about a new swimming pool that is being built by Mr. and Mrs. Edward L. Ladd, who will be a distinct addition to their beautiful summer place there, which was originally erected by the late Michael Cudahy.

And the reason for this pool, which sounds a bit unusual on that island, surrounded as it is by the waters of the great lake, is that the Cudahys, who are the parents of three beautiful daughters, Helen, Florence and Alice, may not be compelled to swim in the natural waters, which are to a degree at their disposal, and so may have been the waters that the Cudahys will undoubtedly swim in, following.

For this pool, which is to be a large affair, is to have water of such a suitable temperature, probably, that the swimming may be a delight and not a discomfort.

Last week, the Cudahys were joined by Mr. and Mrs. Frank C. Letts, bringing with him news from the various golf tournaments that have interested him this summer and on Saturday night the Misses Cudahy and Mrs. Letts, in their gowns, will be the stars of the show.

Miss Helen Cudahy is remembered as the daughter who was the greatest ovation in her Grecian dance at the Junior

Longtime enterprising in April. She has studied dancing for some time and is devoted to the art.

When the National Harmonie received word that Mr. and Mrs. James Cudahy, in Switzerland, were members of a house party given by Mr. and Mrs. Lawrence A. Williams Bay for the summer, entertained Mr. and Mrs. Harry Laddell over the week end, Mr. and Mrs. Cudahy are traveling in Europe.

Mrs. S. E. Barrett and her daughter, Miss Adele Barrett, 1412 Lake Shore drive, have returned from Europe and are at their summer home at New Castle, N. H.

THE young daughters of Mrs. A. W. Goodrich, Rosamond and Elizabeth, have taken up residence with Miss Elizabeth Hartman, daughter of Mrs. Eliza P. Whitehead, at Pittsfield, Mass. Miss Dorothy Lins, who recently returned from abroad, is now the guest of Miss Whitehead.

MISS MARY SHELDON, daughter of Mrs. Mary Sheldon, wife of Col. Sheldon, is in the care of the season's belle, and has been spending the summer camping in Wyoming, where she went with her mother early in the summer.

Wynona has also returned Miss Mrs. Frank C. Letts and her two young daughters, Courtney and Hollie, who have been on their ranch there for many weeks this summer, will start the double strength ointment for the double strength ointment; it is this that is sold on the money-back guarantee.

Mr. and Mrs. Shirley T. High are spending the month with Mrs. High's parents, Mr. and Mrs. Samuel Raymond, at Marblehead, Mass.

Mr. Robert Chatfield Taylor of Lake Forest has gone to the Huron Mountain Club for two weeks' rest.

Mr. and Mrs. Robert Gregory of Highland Park will return this week from the Huron Mountains, Mich., where they have spent the past fortnight.

## FRECKLES

Don't Hide Them With a Veil! Remove Them With the Other Prescription

This prescription for the removal of freckles was written by a prominent physician and is usually so successful in removing freckles that it is being sold in this form.

Don't hide your freckles under a veil, get an ounce of ointment and remove them. In this form the first few applications should show a wonderful improvement, some of the lighter freckles vanishing entirely.

Don't worry about the cost, as the double strength ointment; it is this that is sold on the money-back guarantee.
