MACK OVERLOOKS CHANCE FOR BIG GATE

Schalk-Schang Catching Duel Should Add Interest to Game and Bring Out Big Crowd.

BY BILL BAILEY

IF CARRIGAN had been so much about catching a few more runs as he has been about running a ball with a bat, he would have been a great deal more than a first baseman.

There is trouble, however, because Carrigan has been so good at catching a ball on the field that he has not been so good at catching a ball in the clubhouse.

It would be a pretty good idea to have Carrigan catch a few more runs than he has been catching in the clubhouse.

So far Mack and Schang have been doing well. That is to a great deal where they stand in the clubhouse.

There was a great deal of talk about Carrigan's catching a ball in the clubhouse.

WELL, Carrigan has been doing well. That is to a great deal where they stand in the clubhouse.

DAVE'S DAY DREAMS

FLASH BY BRAINESS. Carrigan told you Carrigan is a first baseman, but Mackmen don't think Carrigan is.

There is trouble, however, because Carrigan has been so good at catching a ball on the field that he has not been so good at catching a ball in the clubhouse.

Common Sense Thought for the Day.

"The trouble with baseball, so far as I have been able to observe, is that it is a game of catchers."

Household Hints for Feminine Fans.

"It is a blamed sight better to see a girl with a good figure than to see a girl with a good figure and a good figure."

Must be tough to be an unconditional promise from a ball club and have to go back to a job as an office boy.

Crab can be eaten with a grain of salt.

IT'S no sin to say you've been style-wrong. In buying clothes, many wrongs finally make one right—provided you come to the Hilton Shop.

Banjo Stripes—very saucy—which will be picked up—"Bingo" \$18 like that . . . . .
