EVERY TIME**

**WHETHER** it's used as a light beverage, a tonic or a thirst quencher on a hot day, there's nothing that quite equals

# **Walter's Gold Label BEER**

It leaves that lingering, satisfied feeling—a sort of "how-do-you-do" gladness inside. It's a good beer, carefully brewed from selected malt and contains the best of imported and domestic hops. Its popularity is due to its individuality and its goodness.
