Central Wins State Title

PUEBLO, May 31.—Well on his way towards a pitching record, Bunky Mc-Grane, the pitcher of the Central high school baseball team, defeated the Manual team, which stopped the game with Warren academy of Denver, in the eighth inning, after Morgan had whiffed 16 of the opposing batsmen with the prospect of making the total 21 for the game, only just a step to the rubber and caused him to issue his first free pass.

Central defeated the Denver aggregation by a score of 4 to 3, and the consensus of opinion of baseball fans watching the contest was that the state championship will be between Central and Manual. The contest was for the state championship between Robert Wilson of Boulder, who has a record of 20 strikeouts, and pitched his last interscholastic game.

The score by innings:

English Polo Team Strong in Practice

NEW YORK, May 31.—Playing the fastest and most brilliant practice game of polo seen in this country, the English polo team yesterday defeated a scratch team by the overwhelming score of 21 to 1.

The contest was held at the Piping Rock Country club, and the English team, Lt. L. F. and marked the first practice for the challengers for the Westchester cup in four days. Owing to the illness of illness, due to continuous rain, evidently had a bad effect on the players for combination shots and riding that was somewhat anything heretofore shown by an English team in this country.

The game, which was witnessed by a large assemblage of society people, consisted of eight regulation periods of 7½ minutes. The English team lined up as follows: Captain Cheape, No. 1; Captain Edwards, No. 2; Captain Ritson, No. 3, and Captain Lockett, back.

Opposing the Englishmen were during the first four periods were: C. C. Rumsey, No. 1; M. Frenke, No. 2; D. L. Agassiz, No. 3; Milburn Belt, Frenke in first substitute for the English team and Milburn was regular back on the cup-winning and cup-defending teams of 1909 and 1911. During the second half the lineup was: J. B. Vreeland, No. 1; F. M. Frenke, No. 2; L. E. Stoddard, No. 3; P. D. Hargrave, back. Captain Miller acted as referee.

The appearance of the English team pointed to improvement. The players have lost the fat accumulated during the late frosts and showed both speed and endurance as well as perfect obedience to the riders. The English players during the match improved their form especially in team play and both sides scored four goals.

Practice plays for the next few days include a game for the American players at Meadowbrook today and one for the English four at the same field on Monday. In this game the strongest combination available, aside from the Meadowbrook "Four" will be mounted against the Englishmen.

ALBUQUERQUE, N. M., May 31.—Benny Chaves, the Trinidad bantamweight, won the middle title in the southwestern championship here yesterday by beating Battling Chico, of Los Angeles, in a 10-round bout.

FISHING IS VERY GOOD

Judging from reports received by the Powell-Dimon company and the railroads nothing is better in Colorado now than it has been in early season for many years. Very few fishermen have returned empty handed. This is accounted for by the fact that the streams are in a more favorable condition than usual. The rainfall over the state was lighter during the last winter than for many years and most of the streams are not unusually high.

GUSTS From World of SPORT

By Bruce A. Gastin

AFTER the drubbing received yesterday afternoon at the hands of the Colorado College Tigers, Colorado university beat it out of town as quickly as possible, leaving all sorts of fractured promises strewn around. Coach Rothgeb had been assured that the State team was willing to stay here until today, because the Tigers won, and play off the tie which now exists in the championship race. After the game the Boulder coach and captain promised to telephone Rothgeb before 7 o'clock in the evening and give a final answer to his proposition regarding a deciding game today. Instead of keeping their word the Boulderites caught the 5:40 train for Denver. Evidently they are satisfied with a tie.

YOUNG Bobby McGraw, pitcher for the Central High school team of Pueblo, which has won the state interscholastic title, has received considerable publicity this season because of his pitching. With 20 strike-outs to his credit in a single game he is acclaimed by some as the greatest pitcher of the state, but is putting it a little strong. McGraw is a good high school pitcher. But it should be remembered that he has been playing against some very poor hitters. His speed, which has dazed interscholastic postimers, may be easy money for the kind of batsmen who will oppose him in college. Still, Bobby is better than the ordinary high school baseman. Quite a lot better. He knows it and thinks about it so much. That is his weakness.

THIS is one school year when the University of Colorado failed to win a state championship. They were beaten in football, in baseball and in track. The Miners walked away with the State gridiron title. The Tigers grabbed the track title and then tied the State in baseball. No wonder the Boulderites are peeved.

THEIR standing in the percentage column may not stamp them as being of championship caliber, but the way the Giants have been handling the Phillies, the league leaders, shows that Mack's outfit is not yet ready for the cellar.
