Commence Your Dinner With Goebel Pure Food Beer

Truly remarkable is the healthful benefit to be derived from a glass of Goebel's at the commencement of the Dinner.

As an appetizer this rich, sparkling beverage has no superior. As an aid to digestion—an influence soothing and quieting to the nerves after a hard day's work—a nourishing food-tonic for old and young, the weak and the strong—Goebel's is The Ideal Beer.

In thousands of Detroit's most discriminating homes Goebel Pure Food Beer is the unqualified choice. They have learned that a glass of Goebel's before dinner adds immeasurably to the pleasure of the meal and the health of the individual.

Drink Goebel Pure Food Beer in warm weather. There's nothing like it to invigorate and fortify against extreme heat.
