Isn't This Better Than Talk?

If we gave you our unsupported word that Mundus was a flavorier, richer, more appetizing beer than any other, perhaps you'd doubt us. But how CAN you doubt when we let you try 3 Free bottles of Mundus—to PROVE it.

Aren't three bottles of "proof" worth more than all the *claims* in the world—and all the talk?

Phone for a case (24 bottles—\$1.00). Try 3 bottles. If you don't like Mundus, tell us—we'll call for the 21 bottles left, and give you back your dollar.
