Snowed Under With "3-FREE" Requests

Yes, literally snowed under! Folks simply can't resist our 3-Bottle-Free Offer. It's too liberal! It's too convincing of quality. There are too few people who don't want this quality if they can get it. So the deluge of 3-Bottle FREE requests keeps pouring in.

You are sure to like Mundus better than any other beer! It is unsurpassed in richness—life—sparkle. It has all the qualities that make beer the most wholesome beverage tonic known. But it's the Mundus *flavor* that wins Mundus *distinction*.

Phone for a case, 24 bottles. Try 3. If the distinctive Mundus flavor doesn't appeal to YOU, tell us—we'll take back the 21 bottles left and refund your dollar. Isn't that better than talk?
