BULL DOGS

Broad Chested Boston Bulls are cutting some figure in Fall Suit Fashions.

For Men

THERE'S the Bull Dog Lapels — The Bull Dog Buttoned — Tight-Across-the-Chest fashion, and the Fifth Avenue Straddle, which is by way of being a bit Bull Dogish, too.

And for
Young Men

This "Bull Dog" feature is accentuated — wider Lapels: more of that "chesty" cut to the coats, and decidedly more of the "straddle" to the trousers.

Grays and Blues in duo-toned stripes and solid tones are the textile favorites.

But there's no need to bark about these Suits when the bite is ONLY
