

as none can be imported at present,  
 the manufacturers have decided not  
 to look for new supplies, but to make  
 only the gray tubes, which they claim  
 to be equally as strong as the red  
 ones.

Michigan is the leading state in  
 the manufacture of sand lime brick,  
 followed by Minnesota and New  
 York.

Aug. 1, 1840: At the Log Cabin gathering in Vermont,  
 Mr. Daniel Webster was introduced to a member of the  
 Boston Tea Party, an old veteran who pushed tea from  
 the gunwhale of the ship.

1840 — 1915

Seventy five years ago  
 when survivors of the Boston Tea Party  
 still lived, Lemp had its beginning,—  
 the oldest brewery in America with a  
 national patronage.

Each generation of Lemp brewers  
 made the finest beer of its time; but  
 75 years accumulated experience gave  
 to *this* generation the genius to create

*"The choicest product  
 of the brewer's art"*  
**FALSTAFF**

—the finest beer of *all* times; wholly original  
 in character and superfine in flavor.

Beer is a food. Bread and beer are made of the  
 same materials; cereals, yeast and water. Bread  
 is solid; beer is liquid—both are highly nourishing.  
 Physicians prescribe beer to produce energy,  
 build tissue and strengthen nerves. Good beer is  
 the elixir of life.
