Thanksgiving Day Shoot.

The officers are considering plans for the annual holiday shoot of the club on Thanksgiving day morning and it is expected that an interesting program will be forthcoming. A suggestion has been made which is meeting with considerable favor, and calls for three events, two on the 75-foot range and one on the 50-foot range. On the longer range there would be an offhand match and also a prone match, probably single entry events. Last year the prone competition was made a self-handicapping affair, each man being allowed to name his own handicap, and this was added to the score actually shot, providing the gross total did not overrun the possible score, in which case the score was not counted at all. It is proposed this time to make the prone shooting a straight match and divide the final scores into classes, with prizes in each class.

It has been suggested to make the offhand competition the same sort of a handicap match as the prone was last year, as it is thought that it will be far more difficult for the marksmen to guess at their proper handicap in offhand shooting than in prone where several of the men are pretty sure to shoot within a point or two of a perfect score about every time. It would seem as if handicapping the offhand scores would be much more interesting and would exactly reverse the conditions of these two matches from other years.

A suggestion for the short range has been made, calling for a two-man team contest, which would be re-entry, either for the same pair of men, or each man could choose a new partner for another try. In order that two of the best shots could not pair up together, thereby making pretty sure of a high score, it has been suggested that all the men be put into two classes by dividing the averages at the end of the week before the holiday from top to bottom and making it necessary that each team consist of one man from each class.

The target for this match could be the former target used by the club, with a slightly smaller black center than is now used, which would compare with the shorter distance. Each pair of men would shoot on the same target and the total of both count toward the best target. Any number of shots could be decided upon, providing an even number is chosen, this to depend somewhat on the time necessary to run off the event. If there should be a large entry list it has been suggested that three shots by each man, or six on each target, would be enough, but this is a point that could be settled later.

In former years the club has run off some sort of a match that was purely a luck affair, but there seems to be quite a sentiment that the members would really prefer something which would still be a test of skill. Such is not contained in the checker board match or others which have been tried out before. The two-man team would provide for straight shooting, but the conditions would be rather unique, and the re-entry feature would give the men a chance to pair up in a number of combinations in trying to be one of the pair which turns in the best total on one target.

The matches as proposed would call for four or five first prizes and as many more seconds, and in this respect a new plan has been proposed making all the prizes of ammunition provided by the club. This is certainly a prize which all the members could use to advantage and several have already expressed a favorable opinion regarding the offering of ammunition for prizes. In other clubs this is coming to be a usual custom and it is said to be very satisfactory to those taking part.

As soon as the officers come to a decision the program will be given out in ample time so that all the members may know what the attractions will be for the holiday. In the meantime the officers are open to all suggestions they may receive, as the object of these holiday shoots is to provide the greatest interest for the largest number of members possible.

LIGHTWEIGHTS MAY ALL MEET FREDDIE WELSH

By J. P. YODER.

(United Press Staff Correspondent.)

CHICAGO, Nov. 12.—All depends on the sporting editors of the country plus the balancing weight of the public whether Champion Freddie Welsh gives Charley White a 10, 20 or 45-round battle this winter. Harry Pollok, the Englishman's manager, on his way through here, made this promise to Nate Lewis, White's manager.

Pollok explained to Lewis why he favors having the four best lightweights of the country picked and sent against Welsh in order, instead of letting them scrap it out among themselves, the best of the four to meet the champion.

Pollok very frankly pointed out that Freddie wouldn't get any of the pickin's for the preliminaries and therefore being the titleholder would demand a larger purse for the fight with the winner. By meeting all the four Pollok said he wouldn't demand such large purses. Lewis agreed to the plan as being a fair one.

Pollok said no lightweight would be barred except Willie Ritchie. To get a fight Ritchie will have to give Freddie a flat $25,000 guarantee, since that's what Ritchie got for giving Welsh the memorable battle in London.

Chicago's Chances Slim.

MINNEAPOLIS, Minn., Nov. 12.—Chicago's chances to remain at the top of the heap in the conference football title race were slim today. The bettors were giving odds of 4 to 5 on Minnesota for tomorrow's game which is the big middle western battle of the day. Chicagoans are holding out for 2 to 1.

GRIDIRON BILL FOR SATURDAY IS ATTRACTIVE

By GEORGE R. HOLMES.

(United Press Staff Correspondent.)

NEW YORK, Nov. 12.—Tomorrow's football calendar is about as attractive as has been offered this season, headed by the Yale-Princeton, Pennsylvania-Michigan and Syracuse-Colgate games in the east, and the Minnesota-Chicago and Illinois-Wisconsin games in the west, on which depend the 1915 championship of the Big Nine.

The Yale-Princeton game undoubtedly will attract a mammoth crowd. The supporters of the Blue will wander back to New Haven hoping against hope that Tom Shevlin has accomplished a miracle in the last two weeks and whipped a team in shape that will make a creditable showing against the Tigers. The Princeton partisans will drift back to cheer for what they believe is the best Tiger eleven that has emerged from Old Nassau in years.

Yale is hoping for a repetition of the 1916 feat. Yale faced Princeton in that year in much the same way—broken and shattered, with Tom Shevlin but two weeks at the helm, having been brought back by frantic calls for help. But the old Eli war upset the dope by pushing his demoralized charges to a 5 to 3 victory over the Tigers, and crowned the stunt a week later by playing Harvard to a scoreless tie when the odds were about 2 to 1 against him. Maybe Shevlin has turned the trick again this season.

Two sevens which have been finding the going rough meet at Philadelphia—Penney and Michigan. The result is not important, as both are weaker this year than for many seasons and long since out of the championship running. Up at Syracuse there promises to be a real battle. Colgate with the best eleven in her history and one of the best in the country faces a tough customer in Syracuse, who held Princeton 3-0. Colgate's hopes of remaining in the championship groove are on the game.

Think Brown Easy.

(By United Press.)

CAMBRIDGE, Nov. 12.—Few of Harvard's regulars will start the game against Brown here tomorrow. Captain Eddie Mahan and some of his lieutenants will go to New Haven to watch the Tiger-Yale game. Little trouble is anticipated with Brown as she was able to defeat Yale by only three points.

Tigers Are Ready.

(By United Press.)

PRINCETON, N. J., Nov. 12.—The Tiger football squad left here today for Hartford, where they will stop until Saturday morning before proceeding on to New Haven to meet Yale Saturday afternoon. Practically the same team that faced Harvard will go against the Elis. All are in good condition except Genneral, the big center.

Yale Eleven Resting.

(By United Press.)

NEW HAVEN, Conn., Nov. 12.—Yale's rejuvenated football team rested today in preparation for Princeton on Saturday. The coaches changed their plans at the last moment and decided against any scrimmaging. Instead, the first team will go through a little light signal practice in the bowl this afternoon.

EXPECT FEDERAL RAID.

Baseball Men Puzzled at Signing of Two Coast League Stars.

(By United Press.)

NEW YORK, Nov. 12.—Baseball men today admitted themselves puzzled at the action of the Federals in signing two coast league stars—Joe Gedeon of Salt Lake City and Jimmy Johnstone of Oakland, by the Newark club. They professed to see in the action a cessation of peace negotiations for at least several months. The signing of the two men is believed to be the forerunner of another "raid" on O. B. forces by the third leaguers. John Ganzel, manager of the Brooklyn Federals has admitted that he has eight stars of the International league signed up for next season.

Harvard's New Strong Man.

(By United Press.)

CAMBRIDGE, Nov. 12.—Albert J. Weatherhead of Cleveland, Ohio is the new Harvard "strong man." Weatherhead's score today was 1237.3 points against 1381, the record held by Tacks Hardwick, football star, who graduated last year.

Yankees At Macon.

(By United Press.)

NEW YORK, Nov. 12.—The New York Yankees will train next season at Macon, Ga. The main division will report there on March 1, it was announced today.
