

The One Beer That Smacks of Old-Country Home Brewing

That's Mundus—the beer that leaves out the bitterness.

No other American beer has that distinctive mellow home-brewed flavor that makes the old-country brews so delightful. You will like Mundus best of all.

The Universal Drink There The Temperance Drink Here

This old-fashioned mild light brew is the universal home beverage of the strong virile nations of northern Europe. And it is the real temperance drink here. A rich, nourishing liquid food with a negligible percentage of alcohol.

Drink it with your meals at home or at your favorite cafe. And insist upon seeing the Mundus label. It insures the flavor that is free from bitterness.

A 24-bottle case in your home for \$1.00. Out-of-town orders \$2.00, with a dollar back when you return case and bottles.

Try the first 3 bottles free. Your dollar back if you don't want to keep the rest of the case.
