ECHOES OUTSHOT ST. JOHN'S TEAM, SCORES ARE LOW

The first week in the school series of the Taunton Indoor Rifle club came to a close Thursday evening, when the Bohens defeated the St. John's in a match where low scores predominated on both teams. Fuller was high and for the winners with 74 and the next three scores ran very evenly. One low string held the total down to 297. The St. John's had the high single string of the match in a 76 by Duffy, but the rest of the scores did not hold up to this figure and the final total total was 297. The scores:

TAUNTON HIGH WINNER FROM ST. GEORGE PREP.

GOT THE JUMP ON THEIR OPPONENTS AND SCORED EARLY—MADE THIRTY-FOUR POINTS WHILE OPPONENTS WERE SCORING BUT NINE.

The Taunton High school football team added another scalp to its string of victories yesterday by defeating the St. George Prep. at Newport to the tune of 34 to 9. Taunton got the jump on their opponents right from the first kick off. Jordan received it and carried it to midfield. Then without signals Swift took the ball but failed to gain any ground around right end. Then on the same series play Cohen received the ball on a forward pass from Pepler and ran 50 yards for a touchdown. Pepler kicked the goal. With the advantage Taunton kept on plugging and scored twice more in the first period. The game was marred with frequent fumbles and generally the worst of offender. Cohen made several long runs, one of them resulting in a touchdown. He has been a consistent ground gainer all year and showed his heels to the St. George tacklers when he got into a clear field. Pepler's game at quarter is improving. His selection of plays was good and he kept the team on the jump all the time. Blood and Swift played their usual steady game and Henry is proving to be a nifty little runner back of guards. His work in this department is better than that shown by anyone this fall. The line is steadily improving, their playing on the offensive being of the best. Taunton had its share of ill luck which cost them a touchdown. With 20 yards to go Hayes received a forward pass from Pepler and crossed the goal line. The ball, however, was brought back and the goal was not allowed because Blood the Taunton fullback was offside as the ball was passed. "Jeff" Bayliss, one of last year's veterans, got into the lineup for the first time this year.

The St. George team put up a clean hard fight all through the game. They plugged hard until the final whistle blew, ending the game. Their game on the offensive was almost equally as good as Taunton's, they showing a varied attack. MacDermott and Smith put up a good game in the line, while Weed and Nickols excelled for the backfield. Smith, the lanky tackle, gave a pretty kicking exhibition, putting over a nice drop-kick from the 30 yard line.

Just before the local boys left for Newport the Taunton High School Athletic Association met in the assembly hall and talked over their plans for Saturday's game. They organized a cheering section and if their spirit is anything to go by there should be some doings at the game. Coach Hunt then addressed the members and told of the good work done by the team in their previous games. Each player was cheered separately and then as they were leaving the school the A. A. gave them a rousing send-off. A good crowd is expected at Saturday's game with the strong St. John's Prep. team of Danvers. They are ranked with the best teams in Massachusetts and are in the race for championship honors.

The Game in Detail.

Swift kicked off to Johnson, who ran the ball back to midfield. Then on a series play Swift failed to gain around right end. The quickness of the play caught the St. George team napping and Pepler tossed a neat little forward pass to Cohen, who ran the ball 50 yards for a touchdown. Pepler then kicked the goal. Score, T. H. S. 7, St. G. 0.

Stall received Pepler's kickoff and made a nice run before being brought to earth. Perot went through center and got four yards before being stopped. Stall fumbled, Taunton recovering. Then several rushes by Blood, Swift and Cohen and an end run by Pepler put the ball on St. George's four yard line. Here St. George held for two downs, but on the next play Swift crashed over the line for another touchdown. Pepler again kicked the goal. Score, T. H. S. 14, St. G. 0.

PENN STATE AND HARVARD WILL CLASH

AND HARVARD IS EXPECTED TO WIN TOMORROW'S GAME—YALE FEARS COLGATE, WHICH DEFEATED THE ARMY TWO WEEKS AGO.

By GEORGE R. HOLMES.

(United Press Staff Correspondent.)

NEW YORK, Oct. 29.—Tomorrow's football schedule takes on a whole is a rather drab looking affair. It is, however, the lull before the storm that will break the following week when Yale and Princeton start the first game of the famous "Big Three."

The most exciting fuss tomorrow should be the Yale-Colgate game at New Haven. Yale, with LeGore gone, doesn't look like the Yale teams of old, despite the frantic efforts of the Blue mentors to whip a squad in shape that will preserve Yale prestige. In Colgate, Coach Larry Bankart has a scrappy, aggressive eleven which made its best showing of the season two weeks ago by administering a real drubbing to the Army, 13 to 0. The quarrel at New Haven may turn out to be a real one unless Frank Hinkey has greatly polished more with the Elis in the last two weeks than appears on the surface.

Harvard should not, on past performances, have a great deal of trouble with Penn State, although the state college athletes have not lost a game this season and number among their victims Pennsylvania. The recent discovery that there are many points in Captain Eddie Mahan's toe as there were in Charley Brickley's has given the Crimson an enviable position on the dope sheet. Penn State appears to be a little weak on the defense, which will be fatal to her chances against the smashing backs of Percy Haughton.

Princeton will play a practice game with William, or should, if Speedy Rush's proteges continue to set the pace they have for the last fortnight. Williams is deplorably weak this season.

Cornell also has what should be a practice game with Virginia Tech—not the Virginia that licked Yale. Dartmouth should have little trouble disposing of Amherst, and Uncle Sam's twins—the Army and Navy—also have easy games in Villanova and Bucknell.
