### Nature's Storehouse of Health

THE mid-springing grain fields draw from the good, brown earth the nourishing elements that sustain the human body. In good bread and in wholesome, well-brewed and well-aged P. B. Ale and P. B. Lager you get these nourishing elements in their most nourishing form.

There's no better tonic than P. B. Ale or P. B. Lager. They are delicious, well-brewed which aid digestion, promote sleep and build up a healthy body. They are made with the same care and attention that the good housewife uses in making her bread.

Ask for a glass of P. B. Ale, stout, from the special P. B. Lager that you will quickly learn to appreciate. "I'd give my right arm for a year of your Pilsener each week."

Ask for P. B. Lager today for our booklet "The Pilsener Beer Story" or "The Pilsener Lager Story" for 10¢ and 25¢ respectively.
