Why I Drink Beer

"—because I've found that after the nervous tension of a day's work there is no better relaxation than a glass of good beer. The health elements contained in the barley and hops, its chief ingredients, have a soothing effect on the nerves."

Business men who take their daily drink of PRIVATE SEAL enjoy it and feel the benefit of its tonic properties. It is good and wholesome—the last drop in every bottle as good as the first. You, too, will enjoy its delicious, appetizing flavor.

PRIVATE SEAL contains the minimum of alcohol with the maximum of tonic and food value—one reason why it's "The Brew for You." Order a case from your dealer—TODAY. See that the label says P. O. N.
