WINDSOR

SLEEPER TO MEET DUKE IN SARNIA

Governor to Take Part in the Canadian Festivities.

Gov. Albert E. Sleeper, of Michigan, will meet the duke of Devonshire in Sarnia June 6, and take part in the program for the entertainment of the duke and his party.

After being entertained in Windsor and the other border cities, May 5, 6 and 7, the duke and his party will go to Sarnia on the Pathfinder, a palatial yacht. A special train will be waiting there for them.

Preparations are under way to give the duke the most elaborate reception of his trip. Steps have been taken to learn what has been done for his entertainment in other cities and to make the Windsor reception different.

WINDSOR AND VICINITY.

The Dominion Sugar Co., of Chatham, has imported 150 Mexicans from El Paso to work in the beet fields of Kent county this summer.

The first shipment of sugar from Hawaii, comprising 6,500 tons, arrived in Victoria, B. C., Monday. Over 25,000 tons has been purchased by the Canadian government.

Banks of the Dominion earned more than $980,000 in commissions in the last sale of Victory bonds, Ottawa advices state. Of this amount the Bank of Montreal, with $141,900, was the largest gainer.

Dining car employes on the Canadian Pacific railway threaten to strike if colored help is engaged as proposed by the railway company, to release men for the army. A communication was sent to Hon. T. W. Crothers, minister of labor.

Conscientious objectors to service in the Canadian army are dealt with severely in all parts of the Dominion. Five were sent to prison for three years from Hamilton, Monday. In other places they are given the limit at hard labor in the prisons.

Four Austrians were found guilty of gambling in police court Monday and paid heavy fines. Six others of the same nationality were found guilty of violating the temperance act and will be held until a magistrate is appointed to the Windsor bench.

The Duke of Devonshire, who will be in Windsor June 5, has finished his visit in Hamilton and has gone to Guelph. Several other small towns between Hamilton and Windsor will be visited by the party before it reaches the border city. Arrangements have been made for extensive entertainment in Windsor.

F. M. Sclanders, industrial commissioner of the border chamber of commerce, was notified Monday that the government was considering the removal of taxes on Americans who have business in the border cities. A delegation from the chamber of commerce made the trip to Ottawa to interview the income tax officials.

After three weeks without street car service, and after many other industries in Winnipeg had been idle, the striking workmen of the city were appeased by a temporary settlement Monday and most of them returned to work. Telephone switchmen, engineers and city employes to the number of over 12,000 were striking.

Claiming that over 5,000 Indians in Canada already have gone to France as volunteers in the Canadian army, and that the Indian in the Dominion was not allowed to vote, Chief White Cloud, of the associated Indian tribes, told Hon. Justice Duff, central appeal judge, Monday, that Indians should not be drafted. No decision has been made.

Refusal of two soldiers to pay for a five cent cake of soap in a store in Halifax, Monday, caused damage estimated at over $5,000. The men were arrested and taken to court and several hundred soldiers and sailors attempted to get them out of custody. They ruined the furniture of the police court and the contents of several other rooms before martial law was declared.

MARINE

BOATS LOWER RATES ON TWO LAKE TRIPS

Joker in Law Gives Lines a Chance for Drop.

Wartime prices for fuel and other high operating costs have not resulted in increased excursion rates on Detroit's short water trips. Instead, C. F. Bielman, of the White Star line, and Edward A. Dustin, of the Ashley & Dustin line, announce that the rates to Tashmoo park and Put-in-Bay will be slightly less this year.

"Last year these strips cost 75 cents each, and with the 8 per cent war tax it would have meant an 81-cent fare," explained Mr. Dustin. "We found a little joker in the law which avoided a lot of change-making. This clause says that where the return fare is less than 70 cents no war tax need be charged. Hence, these trips will cost 70 cents this year. No baggage can be carried on these tickets. Persons desiring single-trip tickets will have to pay 65 cents to have baggage included."

These rates do not prevail on Sundays or holidays, when the return fare is $1.10, including the war tax. The rate to Toledo is the same amount.

MARINE NOTES.

The steamer Sir William Siemens, towing the barge Manila, ore laden, from Lake Superior, ran ashore at Round Island, in a fog, Monday.

The steamer Frank E. Kirby will leave the foot of First street Wednesday at 8 a. m. for Put-in-Bay. The steamer Put-in-Bay will sail Thursday.

Three members of the crew of the steamer Queen City were slightly scalded Monday, when tubes in one of the boilers blew out while passing Mackinaw City.

Albert Pominville, who was in the employ of the J. W. Westcott Marine Reporting Agency last year, is now with the May brothers at Marine City, in the same service.

A heavy fog at Port Huron tied up the downbound freighters Monday. The freighter Sierra, which passed down at 3:20 p. m., was the first boat to pass Detroit after 6 a. m.

Coal movements from Lake Erie ports are light, and a northwestern famine is already being predicted. The docks dumped about 715,000 tons last week and the May shipments only totaled 2,500,000 tons. Scores of vessels are going up light.

Ore shipments are arriving at the lower lake ports faster than the facilities can handle them. A number of boats are tied up at Cleveland, Ashtabula and Conneaut. It is impossible to shift them, as the other docks are in the same congested shape.

Bergo

A cereal soft drink
Refreshes and benefits

With Your Dinner

Bergo is an ideal table beverage. It is not the sort of drink that fills you up quickly and distresses you.

Bergo has a snappy, distinctive flavor which will whet your appetite and add to the satisfaction of a good meal.

A partly predigested food product, Bergo has a place in any well-balanced menu. The business man will find it especially appetizing with his noon day lunch at the club or cafe.

Don't judge Bergo by anything else.

Remember, one taste will convince you that it is entirely different from other beverages you have tried.

You can order Bergo with your groceries and serve it at your table to the satisfaction of your family and your guests.
