Colda

A NEW NON-INTOXICATING BEVERAGE THAT WILL SURPRISE AND DELIGHT YOU

COLDA is not a substitute. It is a creation—a new creation—of the Hyde Park Bottling Plant—made from fine cereals, blended by nature and science into a wonderful drink. Has the elusive hop taste, pours fine, and holds a creamy head. **COLDA** is an aid to digestion and a refreshener that's ever healthful and palatable.

LOOK FOR THE GREEN AND
GOLD LABEL—IT'S OUR GUAR-

FULL 12-OUNCE MEASURE

Stop at the nearest cafe or drug-store
and try a bottle—cool, satisfying. Order
