FARMERS' SHOW OPENING DAY A BIG SUCCESS

Fruit Exhibit Is Especially Fine—Excellent Showing of Canned Products by Towns—A Grange Program Was Presented Last Evening.

The first day of the Agricultural show at the Bristol County Agricultural school outclassed anything of its kind ever held in this section of the state. The fruit exhibit demonstrates very clearly that no better fruit can be grown anywhere than right here in Bristol County, and that local orchardists are learning not only the possibilities in fruit, but are also beginning to appreciate the value of attractive methods of handling their fruit.

City dwellers, even if not interested in agriculture for its own sake, will find time well-spent at this, our annual affair at the Agricultural school, for they will find that the very best produce that can be had can be bought direct from their own farmer neighbors, and they will also learn from whom they can buy.

Not least among the exhibits is the showing of canned products from all parts of the county, shown by towns. The towns that are in this competition—15 in number, are Rehoboth, Swansea, Westport, Somerset, North Attleboro, Mansfield, Norton, Taunton, Freetown, Fairhaven, Dartmouth, Berkley, Dighton, Assonet and Acushnet. In this competition Rehoboth wins the first premium, Assonet the second, and Dighton the third.

This rare exhibition of fruit and produce cannot be described, it must be seen to be appreciated.

The program and exhibition continue throughout today and this evening with a special musicale by the Boston University Glee club quartet as the final event tonight.

The program for last evening (Wednesday) was a grange program, in charge of William N. Howard of North Easton, secretary of the Massachusetts state grange. Rev. David Reed, pastor of the Easton Congregational church gave the opening address. An amusing sketch was given by Mrs. Jennie Goss of Harmony grange, and J. E. Adams of the Easton grange. The sketch was entitled, "A Difference in Clocks."

A fine display of machinery was seen in a tent on the lawn west of the building.

Mention should be made of the fine exhibit from the school, consisting of vegetables, apples and flowers. The chrysanthemums exhibited were very beautiful and large.

DIZZY SPELLS AND NERVOUS ATTACKS ENDED

Maine Woman Urges Others to Try Remedy That Restored Her Health and Strength.

"My experience with Dr. Williams' Pink Pills as a tonic has made me a strong advocate of this remedy in cases of nervousness," says Miss Mary Robertson, who lives at No. 22 Pleasant street Brunswick Maine "I was under treatment for two years without any improvement in my condition and I didn't begin to gain until I started taking Dr. Williams' Pink Pills.

"My blood was so thin that I suffered from dizzy spells and they were so severe that I could do nothing but sit down until the attacks passed. There was a sharp pain in my head. My stomach was badly upset and my food didn't digest properly. I became very nervous and lost flesh and strength daily.

"Years before my mother had used Dr. Williams' Pink Pills and found them an excellent tonic. I decided to give the remedy a trial. In a comparatively short time there was a marked improvement in my condition and I kept up the treatment until I had gained so much strength and weight that the stomach trouble ended. I no longer have dizzy spells or nervous attacks and feel better than I have for a long time."

Your own druggist can supply you with Dr. Williams' Pink Pills or you can order direct from the Dr. Williams Medicine Co., Schenectady, N. Y., enclosing fifty cents for one box or $2.50 for six boxes. Write today for the free booklet "Diseases of the Nervous Syster."—Adv.

POWERFUL PILE REMEDY DISCOVERED

Has Never Failed to End Most Obstinate Case of Piles in Few Days.

For years it has been proved that so-called external remedies applied to or inserted in the rectum cannot cure piles, and at the best can only give temporary relief. Surgical operations also do not remove this cause, but simply the formation.

This wonderful prescription, known as Miro Pile Remedy, is so efficient in the treatment of piles that even chronic cases of from 20 to 30 years standing with profuse bleeding have been completely cured in from three to ten days. Think of it! Just a few doses of a carefully balanced prescription and the most persistent case of piles is absorbed, never to return.

Coffin's Pharmacy dispenses Miro or can get it for you on short notice. Surely it's worth the little trouble to obtain it to be rid of piles forever.

IMPORTANT—What is known as itching piles are not piles in the true sense of the word, although this condition may accompany a true case of piles. For this condition Miro Pile Ointment has been prepared as in such cases it is not necessary to take the internal prescription.—adv.

Toast Them With "Gansett"

Most non-alcoholic beverages are too flat and insipid to be drunk as toasts. But Gansett is different. It has the tang of hops and a true malt body. This bubbling, sparkling, lively drink is the logical substitute where alcoholic beverages are not used.

Nearly a third of a century's practice in brewing beverages noted for their wholesome cleanliness has made us more fastidious than the most particular housewife, so that every bottle of Gansett is as clean and wholesome as it is delightful to the taste.

It can be ordered in any quantity from up-to-date dealers. If yours cannot supply, write or telephone
