Washington 3, Cleveland 2.
WASHINGTON, Aug. 30.—Cleveland lost to Washington yesterday 3 to 2 and dropped to third place. With the score tied at 2 all the ninth inning Judge doubled and reached third on Milan's bunt. Morton replaced St. Louis 4 to 3.

It was a finely played game and the longest that has been played in the league for many years. Close play and sensational steps kept the fans keyed up for the long innings and the wonderful support of both teams kept the crowd cheering throughout. McCann and Chase covered all kinds of ground and cut down hit after hit which might have meant the game. Wright, Kempf and Redfern saved Melrose several times with sensational catches in the field. Chase was the leading batsman of the day with four hits in nine chances at bat. Bell also batted well for the winners. While Kingler got three hits for the losers. The score:

THE SPORTING WORLD

**TWENTY-NINE
CONTEST WON
BY MT. HOPE**

Home Run by Hall After Ten Scoreless Sessions Gave Victory to Mt. Hope—Reich and McIsaac Went the Entire Distance.

When two champions met on the ball field there is always a good game. So it was at North Dighton Saturday afternoon when the Mt. Hope Finishing Company, the newly-crowned champions of the Industrial League, crossed bats with the National India Rubber Company team of Bristol, champions of the U. S. Rubber League. The game went twenty long innings before the decision was reached and then it was a scorching home run by Hall in the twentieth stanza that scored the winning run for Mt. Hope. The final score was 6 to 5.

Loose playing by Mt. Hope in the first inning started the visitors off with a two-run lead. Mt. Hope got one of the runs back in the half of the same inning. Neither team scored in the second, but the rubber team gathered in another half in the third and increased their lead to two runs. The fourth was quiet for both nines and the visitors were shut out in the fifth. In the sixth the North Dighton boys rallied and put across the two runs needed to tie the score. In the sixth and seventh the score remained the same, but the first of the eighth saw the visitors get another lead. The last of the inning pulled the local boys out of the hole and put them a run to the good, but the Bristol boys tied the score in their half of the ninth.

With the score 5 to 5 at the end of the ninth the fans were treated to one of the finest exhibitions of pitchers' battle ever seen in Taunton. For ten innings Reich of Mt. Hope twirled scoreless ball, turning back the visiting batsmen time after time. His opposing moundman, McIsaac, was also invincible, and neither team got a run around the bases until the end of his bat and shattered the hopes of the Bristol pitcher when the ball went into deep right field for home run.

It was a finely played game and the longest that has been played in the league for many years. Close play and sensational steps kept the fans keyed up for the long innings and the wonderful support of both teams kept the crowd cheering throughout. **HAWLEY-FOLSOM
NOSED OUT K. C.
IN THE SEVENTH**

Six Runs in That Frame Were All the Visitors Got But They Were Sufficient to Win—Martin Turned in a Babe Ruth Drive.

The Hawley-Folsom team of Boston, who had been in the Taunton County, Knights of Columbus, baseball team Saturday afternoon at Hope well park. They came from behind in the seventh and by scoring six runs nosed out the home club by a score of 6 to 4. It was one of the most exciting games of the season and Taunton held the lead up to the seventh. By clean hitting they had driven four runs across the plate.

The Knights, however, did not quit after the Boston club went into the lead. They started halting in the eighth and ninth innings, getting three men on bases in each session, but the necessary hit was not forthcoming. Haliday, of the Boston Red Sox, was on the mound for the Taunton team and for six innings he pitched excellent ball, but in the seventh he passed the first man, after which the visitors drove freely and threw three hits, combined with two errors, allowed Hawley-Folsom to score six runs.

For the winners, Cassell, who had turned back the Tauntons by a 4 to 3 score a week ago Saturday, was again on the mound, and while he was touched for 12 hits excellent support by his team-mates in the critical stages of the game saved him from defeat. Charlie Curry was back on third base for Taunton and he accepted 10 of 11 chances and at bat drove out two safe blows. He played an excellent fielding game. Leo Martin, Taunton first sacker, drove out the longest hit of the season in the third inning when he hit the ball to the road in left center, making a home run, and driving in Gaddy ahead of him. It was the banner hit of the year and was almost a duplicate of his three-base smash of the Saturday before.

Costa and O'Connell also showed to advantage at bat. The Taunton team drove out three safe hits, while O'Connell counted with a double and a single and Horton performed likewise. For Hawley-Folsom, Kamp, Grace and Lally hit in the pinches and were responsible for the home runs scored by their club. The fielding features outside of the work of Curry at third for Taunton were contributed by Murray and Flynn of the winners, the former keeping up the sensational work at shortstop which he showed in his first appearance at Hopewell park while Flynn also turned in some clever plays. In the outfield, the four putouts in the outfield, the former making some clever catches as he was forced to contend with a high and wild ball.

Taunton scored in the first on O'Connell's hit and slow fielding by the visitors. Their next two runs came in the third when Martin drove out a homer. The final run was scored in the sixth, hit by Curry and Costa and Grace's low throw to second.

In the eighth, with one down, Powers, Curry and Costa singled in succession but Haliday fanned and Duggan forced Costa, at second. Again in the ninth Taunton got three men on the sacks, but could not force over a run.

**GOLDEN WAS
HIS OWN GAME
IN LONG HIT**

Whittenton Mfg. Co. A. A. Gets to Buck O'Brien in Two Innings for Runs Enough to Score Decisive Victory Over Speedways.

Joe Golden, the star twirler of the Whittenton Mfg. Co. A. A. won his own game with a three-base hit with two men on bases in the sixth inning, defeating "Buck" O'Brien's Speedways of Dorchester on the Whittenton Athletic grounds Saturday by the score of 7 to 4. The local boys after being turned back scoreless for the first four innings, took a liking for "Buck's" slants in the fifth and sixth innings, scoring enough runs to win. Although in the hole at several stages of the game O'Brien, the ex-Red Sox star finger, tightened in the pinch, halting the Whittentons to seven runs. With the exception of the first inning, Joe Golden pitched good ball striking out eight of the opposing batters. Buck made seven of the locals fan the air, three times fanning two men in succession. H. Champlaine was the star batter of the afternoon with three fine smashes, one of which was a double with three men on base. Both Conner and Golden came through with triples which accounted for four of Whittenton's runs. Coughlin, left fielder of the Speedways was the star cluster for the losers. His base running enabled him to stretch a bunt into the scratch hit and while he was home on bases and two down Gleason sent a hard drive into deep center. Waldron was given his base on ball. Gleason sent a Texas leaguer to center and by fast running made two bases. Waldron stole the pill to Weyand to catch Manley at the plate but the ball bounced off the catcher's mitt letting both runners score.

Golden again got in wrong when he passed Nelson, the first man up in the second inning. Nelson stole second just before O'Brien filed to H. Champlaine. Fuller was easily retired when H. Champlaine gathered up in his high fly in right. Things looked black for the locals when Coughlin was also given first on four and ones. Ryan sent a fast grounder to Proulx who caught Nelson at the plate on a pretty throw to Weyand. After being retired in order in the first three innings, the north end boys took a liking to O'Brien's offerings. J. Sullivan sent a Texas leaguer over the second baseman's head. Proulx laid down a pretty bunt on the third-base line, all hands being safe. Then Buck showed up with his old-time stuff making the next man pop to the third baseman and fanning the other two.

Whittenton's broke the tie in the fifth inning when Waldron made a single through second. The next two men sent up flies which were gathered in without much effort and it looked as if Joe would die on first base. After fouling off 4 balls, Conner took the measure of one of "Buck's" spitters, sending the pill into deep center for three bases, scoring Waldron. O'Brien lost control after Conner's hit and let loose a wild pitch, scoring Conner.

The fourth inning was another battling test for the locals. Proulx was safe on Manley's fumble. H. Champlaine hit by Curry and O'Brien's shoots. A Champlaine laid down a pretty bunt on the first base line, Proulx beating the throw to third and hitting the base. Then H. Champlaine hit over Coughlin's head for two bases scoring Proulx and H. Sullivan. The next two batters were easy outs, but Golden made the longest smash of the afternoon with a fly to deep center, scoring the two men.

After two men were down in the seventh Coughlin sent a hit which took a bad hop past Waldron for a fluke home run. Whittenton gained back the run in their half of the eighth when H. Champlaine singled to right, then stole second. He was again hit by Curry on Waldron's out. Weyand fouled to the catcher. Golden sent a fly to Nelson and it looked as if the side would be retired but Nelson dropped the pill, letting H. Champlaine score easily.

The fourth inning was another battling test for the locals. Proulx was safe on Manley's fumble. H. Champlaine hit by Curry and O'Brien's shoots. A Champlaine laid down a pretty bunt on the first base line, Proulx beating the throw to third and hitting the base. Then H. Champlaine hit over Coughlin's head for two bases scoring Proulx and H. Sullivan. The next two batters were easy outs, but Golden made the longest smash of the afternoon with a fly to deep center, scoring the two men.

What the U.S. Rubber Company has done for the Small Car Owner

PROGRESS in any industry is marked by certain well defined steps—each step a positive contribution to the well-being or economy of part or all of the people affected by the industry.

No more positive benefit with respect to a saving in time and money has ever been conferred on the small car owners of this country than the creation of the clincher type of tire.

A product of the foresight and experience of the United States Rubber Company—the oldest and largest rubber organization in the world.

The United States Rubber Company has never assumed that because a man owned a small car he was necessarily lacking in a true appreciation of quality.

U.S. 30 x 3 1/2-inch tires are built as well and as carefully and as honestly as the largest size tires are built.

In a factory devoted exclusively to this size tire. By workmen trained and skilled in the production of Clincher Tires.

Go to a legitimate dealer when you want a small size tire.

He knows what the United States Rubber Company has done in the interests of the small car owner. And he knows the wisdom of putting the small car owner's interests above his own.
