The flavor of growing days
—when the sap is running
in the trees—comes when
you quaff a glass of Kling's
Birch Beer.

Birch Bark is the basis of
this most palatable of soft
drinks. Combined with
other wholesome food ele-
ments and carbonated, it
makes an appeal to every
demand for a refreshing
draught.

Many families find it con-
venient and wise to buy
Kling Products by the case
—then they are always
ready for their guests.
