

... is it good?

... you won't believe it's legal!

## Here's The Flavor You've Waited Years For!

The first legal brew ever produced absolutely unchanged in flavor—OLDe Keg!

Just taste it! That clean, fresh tang of tonic hops; that smooth, creamy richness of mellow, wood-aged malt, all blended into a brew of hearty, old-time goodness.

Look, how it sparkles! Note its fine-bubbled foam. Scent its fragrant, appetizing aroma. Now try another sip—why it's even better than the first! So invigorat-

ing; so refreshing. And it's so digestible—in fact OLDe Keg aids in the orderly assimilation of other foods. Nothing so goes to the spot when you are hot or tired. The finest foods taste better with OLDe Keg—serve it at dinner tonight, the whole family will be delighted.

OLDe Keg is only twenty cents a bottle. Order a case from your dealer now—don't take any risk of running out of it. EXCELSIOR BREWERY, Inc., Brooklyn, N.Y.

# OLDe KEG

Mr. George M. Christ, Golf Champion of Western and Central New York, and Professional of Rochester Country Club, says: "Giving golf lessons looks like a soft job to some people, but sometimes I think it's more tiring than tournament play. In either case, I've never found anything so healthily invigorating and refreshing, at meals, or between times, as OLDe KEG."
