Did you create Old Golds especially for people with sensitive throats?

asks Dolores Del Rio. Appearing in Warner Bros. forthcoming production "Madame De Berry"

Dear Miss Del Rio: Our aim, when we created Old Golds, was simply to produce a smoother cigarette than America had ever known before... A cigarette that would appeal to everyone by reason of its mellow mildness—its freedom from rasp and bite. The tobaccos used in Old Gold are free from artificial flavoring and other seasonings. Hence the throat-ease... without any irritation even for the most sensitive throat.

THE THROAT-EASE CIGARETTE. AMERICA'S Smoothest CIGARETTE. P. S.—Another outstanding reason is this, Miss Del Rio:—No better tobacco grows than is used in Old Gold. And it's pure. That's why Old Golds are easy on the THROAT and NERVES.
