

• AS SCOTCH AS KILTS •

Brewed the way Scots
brew it—but “made in
the U. S. A.”

Good Old Scotch Ale is brewed to a famous imported formula. It has the fine flavor and high quality that are characteristic of Scotch Ale. But because it is brewed in this country, you don't have to pay fancy importers' prices. You will like this ale. Ask for it by name!

GOOD OLD SCOTCH ALE

... in bottles and on draught
